

Clinics & Institutes

Six [clinics](#), 19 [institutes](#) and three [special units](#) belong to the University of Veterinary Medicine Hannover Foundation, they are distributed in Hannover to the campus at the Braunschweiger Platz and the campus at the Bünteweg. Moreover, the TiHo has three [field stations](#) in Ruthe, in the South of Hannover, in Buesum in Schleswig-Holstein, and in Bakum. The implementation of research projects and the education of students are the tasks of these branches.

Here you can find the descriptions of all facilities of the TiHo:

Clinics

- [Clinic for Poultry](#)
- [Clinic for small mammals, reptiles and birds](#)
- [Small Animal Clinic](#)
- [Clinic for Swine, Small Ruminants and Forensic Medicine](#)
- [Clinic for Horses](#)
- [Clinic for Cattle](#)
- [Unit of Reproductive Medicine of the clinics](#)
- [Emergency Service](#)

Institutes

- [Institute for Anatomy](#)
- [Institute for Biometry, Epidemiology and Information Processing \(IBEI\)](#)
- [Institute for Food Quality and Food Safety](#)
- [Institute for Food Toxicology](#)
- [Institute for Microbiology](#)
- [Institute for Parasitology \(Dept. of Infectious Diseases\)](#)
- [Institute for Pathology](#)
- [Department of Pharmacology, Toxicology and Pharmacy](#)
- [Institute for Physiology](#)
- [Institute for Biochemistry](#)
- [Research Center for Emerging Infections and Zoonoses](#)
- [Institute for Terrestrial and Aquatic Wildlife Research \(ITAW\)](#)
- [Institute for Animal Nutrition](#)
- [Institute for Animal Hygiene, Animal Welfare and Farm Animal Behaviour](#)
- [Institute for Animal Ecology and Cell Biology](#)
- [Institute for Animal Welfare and Behaviour \(Pet and Laboratory Animals and Horses\)](#)
- [Institute for Animal Breeding and Genetics](#)
- [Institute of Virology \(Dept. of Infectious Diseases\)](#)
- [Institute of Zoology](#)

Special units

- [Institute for the History of Veterinary Medicine and Domestic Animals](#)
- [Institute for General Radiology and Medical Physics](#)
- [Fish Pathology and Fish Farming \(integrated into the Institute of Parasitology\)](#)
- [Institute for Immunology](#)
- [Working group for Cell Biology, Institute for Animal Ecology and Cell Biology](#)

Field stations

- [Farm for Education and Research in Ruthe](#)
- [Field Station for Epidemiology in Bakum](#)
- [Institute for Terrestrial and Aquatic Wildlife Research in Buesum](#)

Centers

- [Canine Neurosciences](#)
- [Replacement - Complementary Methods to Animal Testing](#)
- [Infectious Diseases](#)
- [Reproductive Medicine](#)
- [Animal Health and Food Quality](#)
- [Animal Welfare Center](#)
- [Systems Neuroscience](#)
