#### § 9 Master's Dissertation with Disputation

Those who have successfully completed the first three semesters will be admitted to the Master's dissertation with disputation. The Masters dissertation has to be registered in writing and should be submitted in German or in English within three and six months after issuing the theme.

This includes the experimental treatment of a theme with scientific methods and a disputation of 30 minutes.

In justified exceptional cases, deadline of Master's dissertation can be extended by three months.

Exceptional cases are in particular illness-relate absence, which has to be proved by a certificate or delays in the experimental part of the Master's dissertation which are not the fault of the student.

The Masters dissertation with disputation will be assessed by two auditors selected by the Master Commission. The marking takes place in accordance with §8

**Auditors and students agrees with signature that title of Master dissertation, name of graduate and supervisor/supervising institution are named on TiHo homepage**
