

**MSc Program „Animal Biology and Biomedical Sciences“  
Choice of modules for summer term**

For the second study term you have to choose **five modules of at least two main topics**.  
In case of differencing from this you'll have to ask the master's commission and specify your reasons  
(e-mail: [inga.klehn@tiho-hannover.de](mailto:inga.klehn@tiho-hannover.de)).  
You find the module catalogue and the time table on website <http://www.tiho-hannover.de>.

Please fill out the form (important: give some alternatives) and send this to Ms. Inga Klehn, 1<sup>st</sup> floor or  
to address TiHo Hannover, Bünteweg 2, 30559 Hannover
