Clinic for Swine and Small Ruminants, Forensic Medicine and Ambulatory Service

General Safety Information for Visitors. Privacy Protection

D. Hölting, M. Ganter

Dear visitors,

Welcome to the Clinic for Swine and Small Ruminants. Please take a moment to read the common rules. If you have any questions or you have not visited the clinic before, please contact the secretary office.

Please note that there is an increased risk of infection for pregnant women, children, chronically ill people and immunosuppressed people.

ENTERING THE CLINIC

Eating and drinking are strictly prohibited.

There is a general **ban on smoking** in the university premises and in the animal keeping areas of the clinic.

Caution. The floors are **slippery** when wet.

Injuries that occur within the clinic **must be reported** to the clinical assistant on duty. All injuries must be documented in writing in the injury log.

Instructions from veterinary and nursing staff must be strictly followed.
