Activities in Hannover

Hannover actually has three “City Centres” that are all linked and easy to reach on foot:

(1) at and around the Kröpke: Changing point for all Subway Lines; large Department Stores, Elegant Shops, Opera House, Restaurants, Cafés (find your way to the Holländische Kakaostube!)

(2) at and around the Market Church (Marktkirche): Old Town, Parliament (Leineschloss, i.e., the Former Royal Castle); the river Leine; shops, restaurants, bars; plus the Nanas

(3) at and behind the “New” Town Hall (Neues Rathaus; Caution: Built 1901-1913!); take the dome lift up to the platform !; Landesmuseum (with Natural History Museum), Sprengel Museum; Maschsee (large lake)

Maschsee! Try a boat trip! Runners, Inline Skaters: 1 lap around the lake makes 6 km! Check it. Even better: Check it twice!

Museums: Entrance is free in some museums on Fridays (Sprengel Museum: Friday all day; Landesmuseum [with Natural History Museum]: Friday 14:00-17:00).

If, for instance, you visit the Sprengel Museum or Landesmuseum during the day, you can meet your companions of Tour 2 or of Tour 4 on site at 16:30/17:00 in case you have registered for these guided tours. In such case, please leave an early message at the Congress Information Desk. Thank you!

Wireless Internet Connection

During the congress, you will have two options for an internet connectivity free of charge:

(1) The TiHo-Internet-Surfticket

You will find an Internet Surfticket in your congress bag. The ticket contains a username (ticketxxxx) and a password to connect you to the TiHo-Guest-Internet.

[1] Connect your device (e.g., smartphone or laptop) to the TiHo-Guest-Internet (WLAN).
[2] Launch your web browser (e.g. Internet Explorer or Firefox).
[5] Do not close the ticketstatus window which appears after successful logon.

(2) Eduroam

The Tierärztliche Hochschule Hannover (TiHo) is connected to eduroam. Eduroam allows any user from an eduroam-participating site to get network access. If your University is connected to eduroam, you can choose eduroam as the WLAN network and can log in with your home username and password.

Please note that the number of access points (hotspots) is limited (especially in the Institute of Anatomy). So please, log out in times you don’t need the internet access, in order to provide a better connectivity for other participants. Thank you very much!
