

Application

Admission: The program starts once a year with the university's winter term (Oct., 1st)

Application: Possible throughout the year **until Sept., 1st**

1. Find a potential supervisor

You can look at our internet information and find the right department in your field of interest ([clinics/institutes](#)). Please contact directly senior scientists of our [faculty](#) working in infection medicine.

2. Create a [project description](#)

Arrange an appointment with the scientist for finding a suitable project and develop together with her or him a description of the research project (maximum 10 pages).

3. [Application](#)

Submit your complete application package together with your potential supervisor's. The PhD commission will decide upon your application and the project in the next meeting (see homepage [commission](#)).

Please **send documents via email** to:

University of Veterinary Medicine Hannover
(Tierärztliche Hochschule Hannover)
HGNI (Graduate School)
Bünteweg 2
30559 Hannover
Germany
[send e-mail](#)

4. Accepted?

If you are accepted for the programme by the PhD commission, you can be enrolled at the TiHo for the next term (enrolment period August, 1st – September, 30th).

In exceptional cases preliminary enrolment for summer term (start April, 1st) is possible.
